# ABOUT HST STAFFING SOLUTIONS

HST Staffing Solutions is engaged in providing the most reliable recruitment & payroll services to its valuable clients. The company has succeeded in meeting the requirements of the clients in all over India. The company is based in Delhi.

**Our Team:** Our team consists of highly ambitious knowledgeable and confident recruiters with great service attitude which is coupled with a desire to excel and innovate.

**Our Database:** We have an ever-increasing database of qualified professionals from diverse fields. We gather our database largely through referrals and do periodic validations to maintain most current status of each candidate. Before referring a candidate against a position, we educate him about the hiring organization, job details, and selection process to make the hiring cycle smooth and informed. Apart from the above, we use all possible internet based search methods & use to the best benefit of our clients at the same time maintaining confidentiality on the part of the client and the candidate.

# ABOUT HST STAFFING SOLUTIONS

**Confidentiality:** We also ensure complete confidentiality on behalf of the company & the candidate while processing the profile for a position as & when required.

**Client Relations:** Client satisfaction is our prime concern, therefore we have our Client Relations Representatives who are also leading a team of recruiters & will be responsible to discover, respond to and resolve all Client issues quickly and professionally.

If you are an employer, HST Staffing Solutions can match your expectations by providing you with competent personnel who will suit your organization's needs and if you are a candidate we open a vista of executive opportunities for you to realize your career aspirations.
